Scholarship Program for Region 1297-DeWitt

Dear Parents,

In order for all community children to have the opportunity to play soccer, AYSO Region 1297 has adopted a policy to offer reduced rates, "scholarship rates", to those players who meet one of the following criteria:

1. The player is receiving free or reduced lunches through their school OR
2. The parent/legal guardian is receiving benefits through their Michigan Bridge Card

The scholarship rate is 50% off the rates charged for the season per player up to 3 players per family. The scholarship program is provided to the first 40 players in the region who register and qualify. Each family eligible for Scholarship Rates must provide documentation or be verified.

1. A Photocopy of Michigan Bridge Card with the parent/legal guardian name on it OR
2. The AYSO Registrar verifying free or reduced lunches through the Food Services Department at the school.

Thank you for your cooperation,

Joe Rios, Regional Commissioner

Kelly Brown, Regional Registrar
